

# INFORMATION & TIPS

## TIMINGS FOR YOUR VISIT

We recommend allocating at least two hours to visit the Walled Garden. This will allow time for refreshments in our Garden Café.

If your group also wishes to have a tour of the Hall and to explore the Parkland trails, we recommend a further two hours.

The Hall tour is approximately 40 minutes long and is suitable for up to 20 people. Larger groups can be split into two parties.

## GROUP RATES

Discounted group rates also apply to pre-booked parties of 15 or more people. Within this price, the group will be met by a member of garden staff

and each person will be given our Garden Guide. We also offer discounted catering options from our Group Menu. Special dietary requirements can be catered for with advanced notice.

## ACCESS FOR COACHES

We are easily accessible, being only half a mile from the A64 Scarborough/Leeds road. The coach park is less than 100 yards from the entrance to the garden.

## DISABLED VISITORS

The Walled Garden and Café are accessible for disabled visitors. We have both a manual and motorised wheelchair available to borrow; please contact us to book these ahead of time.

For any further information please contact us:  
T: 01944 759 111 E: [info@scampston.co.uk](mailto:info@scampston.co.uk)

To book, please complete and return the booking form enclosed to: Group Bookings, Estate Office, Scampston Hall, Scampston, Malton, YO17 8NG

Booking forms and Group menus are also available to download on our website: [www.scampston.co.uk/gardens/planning-a-visit/group-visits](http://www.scampston.co.uk/gardens/planning-a-visit/group-visits)

## GARDEN LOVERS DAY OUT

For truly green-fingered groups, it is worth considering a trip to Jackson's Wold Garden:

([www.jacksonswoldgarden.com](http://www.jacksonswoldgarden.com)).

From its enviable position on top of the Yorkshire Wolds, the traditional garden has been designed to sit in harmony within the surrounding countryside. Just nine miles from Scampston, we can help you organise a visit to both!

## HERITAGE LOVERS DAY OUT

Why not combine a visit to Scampston with a tour of nearby Birdsall House? Birdsall House is set in a stunning location and houses a treasure trove of stunning art and antiques, collected over the last 500 years by the Willoughby family. The Hall is open to the public by private arrangement only.

## BENEFITS FOR GROUP ORGANISERS

Free familiarisation visit on request and  
Free entry on the day of the visit

## BENEFITS FOR COACH DRIVERS

Free admission Free coach parking  
Free refreshment voucher

# INTRODUCTION

Whatever the interests of your group; be it gardens, art & antiques or just a good cream tea; Scampston can offer your group something a little bit special. We pride ourselves on offering plenty of personality to group travel, it is our family home after all and we will tailor a day to suit your needs. Miranda and I look forward to welcoming you to Scampston one day soon!

Christopher Legard

# THE WALLED GARDEN

The award-winning contemporary garden is set within the original 18th century kitchen garden walls. Designed by renowned Dutch Plantsman Piet Oudolf, the garden is striking in style and a very tranquil space for your group to explore. The garden is divided into nine separate areas; each unique and alive with unusual plants. Journey through the arresting perennial meadow, discover the contemporary waves of grass, and take time to enjoy the calm of the entirely green 'silent garden'. The Walled Garden at Scampston is a remarkable sensory adventure.

A **specialist garden tour**, led by one of our garden staff, is a great option for any horticultural groups. The in-depth tour covers the history, design, planning and maintenance of the garden. Contact us for availability.

# THE CONSERVATORY

Recently restored to its former glory, the Victorian conservatory offers the perfect resting place to enjoy the light and colours of the surrounding Walled Garden. Within the Conservatory you will find fascinating exhibitions on the history of Scampston and the restoration project. It is also possible for your group to enjoy lunch in this enchanting space. Please contact us for more information and availability.

# EAT AND SHOP

Within the Walled Garden, our fully-licensed café offers delicious lunches and home-made cream teas. Pre-booked groups have the option to order ahead of time and reserve a table.

Our well-stocked plant nursery specialises in the unusual species grown within the garden. In our shop, discover an array of quality gifts, books and local crafts for the perfect memento of your day.

# PARKLAND TRAILS

The traditional gardens and the Capability Brown Parkland offer beautiful walks and stunning views. Highlights include the stunning Palladian Bridge and lakes brimming with wildlife. Trails through the gardens and Parkland are clearly marked, and Scampston staff will be on hand to advise you of the best route to take.

# SCAMPSTON HALL

Impressively remodelled in the Regency period, Scampston Hall has been the family home of the Legard family since the 17th century. Over the centuries, the family have collected many fine paintings, antiques and porcelain, each with their own fascinating story. Sir Charles Legard, and his team of expert guides, will offer your group a lively tour of the Hall and a fascinating insight into the history of the house and its treasures.

A **private guided tour of the Hall**, exclusively for your group, can be arranged for the morning, or out of the House opening period. Please contact us to find out more.
