There is a flat rate charge of £50 for all border designs up to 8m by 3m. The fee is refundable if you purchase plants for the design from our plant nursery to a value above £200.

Following the garden design, plants would normally be ready in March and would need to be collected from our nursery. Our designs would be based on plantings from the beds and borders at Scampston.

Following receipt of the form, we will get in touch to provide a quote, confirm payment and chat through any additional details.

We will then endeavour to supply you with a design within 6 weeks of receiving your request.
